

Referral Bonus Program

One of the best sources of adding great people to the Domino team are our current employees! To refer a friend, simply complete the Employee Referral form and email it to HR. Forms are available on the Domino Portal and must be submitted before your referral's first day of employment. If they are hired, you'll receive a \$50 bonus on your paycheck after your referral completes 90 days of employment.

A few rules:

- You must be an active employee to receive the bonus.

- Managers are not eligible for Referral Bonus.

- Referral must be a new employee- prior employees cannot be referred.
